PROFILE

Analytical and detail-oriented MCA student with strong skills in SQL, Python, and Excel. Experienced in data cleaning, exploratory data analysis (EDA), database querying, and deriving business insights from structured datasets. Passionate about solving business problems using data-driven decision-making. Seeking opportunities as a Data Analyst, Junior Data Analyst, or Business Analyst.

TECHNICAL SKILLS

Programming & Data Tools:

- Python (Pandas, NumPy)
- SQL (MySQL – JOIN, GROUP BY, HAVING, Subqueries)
- MS Excel (Pivot Tables, VLOOKUP, Charts, Basic Dashboards)

Analytics & Business Skills:

- Data Cleaning & Transformation
- Exploratory Data Analysis (EDA)
- KPI & Performance Metrics Analysis
- Data Visualization
- Business Requirement Understanding

Database Management:

- Relational Database Design
 - Data Modeling
 - Structured Query Writing
-

PROJECTS

Sales & Revenue Analysis Project

- Analyzed 10,000+ transaction records to identify revenue trends and product performance.
- Cleaned raw sales data by handling null values and duplicates using Python (Pandas).
- Used SQL queries to calculate total revenue, monthly growth rate, and top-performing products.
- Identified top 20% products contributing 35% of overall revenue.
- Created Excel dashboard to visualize KPIs and support business decisions.

Customer Retention & Order Analysis (SQL)

- Designed customer-order relational database schema in MySQL.
 - Calculated average order value, customer lifetime value, and repeat purchase rate.
 - Used GROUP BY and HAVING clauses to identify customers ordering above average.
 - Found that high-value customers contributed nearly 40% of total revenue.
 - Simulated business insights for improving customer retention strategies.
-

EDUCATION

Master of Computer Applications (MCA) | Expected July 2026 *Institute of Technology & Management (ITM), Gwalior, Madhya Pradesh*

- **Relevant Coursework:** Data Structures, Python Programming, Web Development, Software Engineering.

Bachelor of Science in Computer Science (B.Sc.) | July 2020 – July 2023 *Kamla Raja Girls Government Post Graduate College, Gwalior, Madhya Pradesh*

- Focused on foundational programming, algorithms, and database management.
-

CERTIFICATIONS

- **Java Training** | IIT Bombay
- **C Training** | IIT Bombay
- **Personality Development** | FEA

CORE COMPETENCIES

Analytical Thinking | Business Understanding | Problem Solving | Communication | Team Collaboration
